Rx for Reading, dba “The Riordan Foundation”, is in the process of a management transition. Mayor Richard J. Riordan and the Board remain in their leadership roles but Jessica Flores and Jaime Kalenik have moved to new opportunities. Effective immediately the Foundation’s administration and program support will be provided by new staff. The Riordan Foundation is in full operation and we are presently executing on all 2017 grant agreements and reviewing LOIs received by October 31, 2017.

Our mission remains the same, to provide students, especially those in low-income communities, with access to a high-quality education that will prepare them to compete successfully in the 21st Century.

During this transition, feel free to contact us but we hope you will understand if some of our more proactive programs are hold until early next year. Feel free to submit letters of inquiry but please be aware we will not be making decisions on inquiries received after October until next year. In 2018, we will send out updated guidelines and application procedures for your review.

We look forward supporting you in the important work you do for our community and we plan to continue to make meaningful grants to support the mission of The Riordan Foundation.

Please contact Haley Kirk at hkirk@riordanfoundation.org or me if you have any questions.

Thank you,
