During the session, you will learn how to:

- ▶ Set up your Edmodo account and log in to our sub-domain.
- ▶ Create Edmodo groups and invite students to join.
- ▶ Create and grade assignments, post calendar events.
- ▶ Engage parents with Parent Accounts.
- ▶ Connect and network with other teachers in the Edmodo global community.
- ▶ Get tools and tips for integrating social media into your classroom curriculum.

Before the workshop, please attend an Intro to Edmodo webinar to learn the basics. Register at: <http://edmodointro-eorg.eventbrite.com/>.

Please also identify a lesson or project that you would like to enhance through social media and bring any related materials with you to the workshop.
